Dear Sir,

I write to state that th vacant site by the side of the MandyaTaluk office compound ad by the side of the Primary School Building which is now earing completion was previously sanctioned in favour of one Cinema Proprietor for the purpose of constructing a cinema theatre This land was acquired by the Government for purposes c construction of schools in view of the fact that the schools re located in rented buildings, which are inadequate At present one building for the Primary Boys School has been constructed and another one by its side will be constructed later

Now, by the side of this school building sites have been formed and disposed of the in public auction by the Municipality on 27-2-1949 It is no desirable to situate school buildings by the side of the dwling houses But in this case, a school building is in exisnce and it is not desirable to allow dwelling houses to be consucted School zone should be separate and should not be interfered by the public traffic and noice

In view of the above a in the interest of the school children I request that the auion now conducted by the Municipality may be set aside and stable instructions may be issued to the Municip lity who ha ignored their duty to provide facilities to the school goin children Kind perusal of the connected records in this ection will convince you and a surprise inspection of the st will explain the necessity of reserving the land for the ppose without giving room for any of the structures to be rais by the si e of the building in question

Thanking you for an ear action in the matter,

Yours faithfully,
M B Lingegowda

Re - Confirmation of sale of sites held on 27-2-49 in Mandya Town

---

In p rsuance to this office notification dated 10-2-49, I have the honour to state that 7 building sites in Mandya town Ea tern extension behind General Hospital, 5 building sites to the east of Bhima Rao's garden, 6 shop sites to the west of Taluk Office near old Hospital circle in old M C road and 19 shop sites to the east of Taluk Office including the old vegetable market building total being 12 building sites and 25 shop sites were sold by public auction on 27-2-49 as resolved by the Municipal Council The bid amounts secured by the highest bidders in respect of each sitexxare noted in the enclosed two st tements A detailed list of sites in respect of which the bid amounts exceed Rs 1000/- are noted in the statement number second

The Municipal Council at their meeting held on 11-4-49 have resolved that a recommendation may be made to Government for the confirmation of the sites in favour of the highest bidders as the sale amount o those sites exceed Rs 1000/-

As per clause 3 of the sale notification, the power of confirmation of the sale of sites is vested with the Council in respect of sites No 3,6, 7 & 8 in eastern extension to the south behind General Hospital Site No 10 (a) to 10 (e) to the est of Bheema Rao's garden, shop sites No 6 to 19 i e , 14 sites to the east of Mandya Taluk Office including the old vegitable market building In respect of the remaining 14 sites noted in the statement No second the sanction of Government is nece sary as the sale amount exce d Rs ~~1000/-~~ 1000/- in each (vide statement No 2)

Regarding the objection petition of Sri M B Linge Gowda on the disposal of 6 shop sites serial No 4 to 9 (vide statement 2) situated to the west of Taluk Office compound, I have the honour to state that these sites will be used only for the shops and not for dwelling houses as alleged in the petition These sites are situated abutting the old M C road and are quite seperate from the school zone as the primery school under completion faces to the west where as the shop sites are facing to the north by the side of the road A sufficient space also has been left between the school building and the shop sites to that there should not be any disturbance by the public traffic and noice

Besides, it was only after due consideration of the above points by inspecting the spot, the Municipal Council resolved to dispose of these shop sites In this connection I wish to add ~~to add~~ that even the Deputy Commissioner during the time of inspection of the town on 13-2-49 was pleased to inspect these shop sites and approved of the same Under the circumstances explained above the objections putforth by Sri M B Lin e Gowda reg rding the disposal of the above said 6 shop sites are groundless and irrelevant
